Making Family a Priority: Your Weekly Fathering Tip

The kids always had priority over any visiting professor and over any weekend activities that I might otherwise have done, such as play golf. I never felt that this was a sacrifice, it’s just what we did. -Ian Constable

Children need your ‘available’ time. Time with them should take precedence over other free time activities. Sometimes spending time with your children means sacrificing things you want to do. And yet, time with your children will be the most valuable time you spend. And the most meaningful in the long run.

THE FAST CENTRE

The FAST centre is open for all Willyama students on Monday and Wednesday afternoons from 3.30pm to 5.00pm and provides a great opportunity for students who may be having difficulty with assessment tasks or class work to receive extra assistance and tuition in any subject in a relaxed and resourceful environment.

PRINCIPAL’S REPORT

It has been an eventful couple of weeks with the school swimming carnival and Leadership Induction Ceremony both being held. The school swimming carnival was a huge success with a number of students participating fully in the swimming races and novelty events. Congratulations to all, in particular the age champions and record breakers. Details are inside. We wish our students well who are swimming in the West Darling Carnival on 7 March 2014 as we aim to continue our dominance of the West Darling sporting carnivals.

Congratulations also to all students involved in the Leadership Induction Ceremony. It was certainly a proud day for the whole school community and we look forward to working with you to develop the leadership capacity of everyone.

Parents/caregivers were recently sent home packages containing information about voluntary school contributions, bus travel, Positive Learning Environments Policy, Attendance Policy and a FOEI update form.

It is very important that the latter, Family Occupation and Educational Index (FOEI) form, is completed and returned to the school with current details. A significant part of our school funding is determined on the information harvested from the FOEI forms.

School photos will be taken on Tuesday 11 March 2014. Forms have been sent home with students. This year we will be ordering Willyama High School student photo ID cards for all students. These will be very beneficial as they will be barcoded for school use and also enable students to receive student discounts and concessions for public transport. Hence, it is very important that students attend photo day and have their photo taken.
Year 10 students will be starting their work experience with a three day block from 5-7 March. We wish them well and hope that it is both an enjoyable and rewarding experience for all involved.
Willyama High School P&C Annual General Meeting will be held on 13 March in the library starting at 7pm. Please come along and have a say in your child’s education. Grant Shepherd (Principal)

**Library news**
It is with pleasure that I introduce to you Alex Wardrop, our Yr 7 student, who will be writing reviews of our fiction collection. Thank you Alex and I look forward to your publications. **Mrs Adams**
Good Reads by Alexander Wardrop - Nanberry: Black Brother White By Jackie French Historical Teenage Fiction
It is 1789 and new European colonies are being established across Australia. Surgeon John White disobeys the “white – man” rules and adopts Nanberry a clever and resourceful Aboriginal boy.

Nanberry witnesses almost everything that occurs around him with his “white-brother” and realises what is happening to his land and people.

The book is what you would expect from Jackie French, good literature and descriptive writing. The story is a true one, is full of love and cruelty yet a sense of forgiveness. However, some paragraphs are hard to understand or are not necessary which does slow down the pace of the novel. Other than that I recommend it.

**NSW School-Based Immunisation Program 2014**
NSW Health works in partnership with schools to offer the vaccines recommended for adolescents by the National Health & Medical Research Council (NHMRC) in a school-based vaccination program.
Students in high schools in 2014 will be offered the following vaccines:

**Year 7 Males and Females** -
1 dose, Varicella (chicken pox) Diphtheria, Tetanus- Pertussis (dTpa)
3 doses Human Papillomavirus (HPV)

**Year 9 Males only** -
3 doses Human Papillomavirus (HPV)

Students have been given a Parent Information Kit that contains a consent form, information sheet and privacy statement. Any student who did not receive one should go to the office and collect one. Completed forms need to be returned to the school office by Friday 14 March. The first round of immunizations will be held on Monday 17 March. If you have any questions feel free to contact Mrs A. Jones at the school.

**SCIENCE AND ENGINEERING CHALLENGE**
Monday 19 and Tuesday 20 May 2014 - The Outback Science and Engineering Challenge - Open to only Yr9 and 10 students - notes and registration forms will be available from the Science staff room ASAP - Regular lunch time practice sessions will be held in Room 3.30. Listen to daily notices for days and times. Thank you.

Up and Running

Are you one of the 1000’s of people that say on New Year’s Eve “This year I am going to get fit”. If you were one of them and want to be one of the few who keep up the commitment then the Willyama Running and Fitness group may just be the thing you are looking for. We are looking for more students, parents and teachers to get involved. Our team motto is “if it is to be, it is up to me” so now is the time to lace on the sneakers and get moving. We are a team that caters for all fitness levels from walking and beginner runners right through to the advanced half and full marathon members. No matter what your goal, what your fitness level is we would love to have you along. Why not get a start on that pre-season for winter sports or destress a little. If you still need more motivation why not sign up for the Willyama High School team that will be defending many of the junior age categories in this year’s YMCA living desert dash or you might like to set your goals on completing your first or fastest City to Bay in Adelaide later this year.

If you are after a little more information or would like to come along and try it out see you at the Brooks Street ramp every Tuesday and Thursday 6.55am for a 7.00am start. Showers and breakfast at school can be arranged by seeing one of the teachers.

Year 12 cooked up a storm with their BBQ including, this year, pancakes for those who needed that early morning snack.

The slide was fun reward for many of the students who had champion tickets for participating in main events and/or the novelty activities.
