Term 3 Week 9 8 September 2014

PRINCIPAL’S REPORT

Congratulations to Emmie Stenhouse, Terry Biswell, Kate Baldwin and Veronika Holland on their achievements in successfully completing the Max Potential program this year. Terry Biswell will be heading off to trek the Kokoda trail. Thanks to the programs’ sponsoring for giving him this great opportunity.

Well done to Chelsea Masclet and Sophie Morrison who have been selected to attend the University of Newcastle’s Girls’ Choices Summer School in December. Connor Rogers has also done extremely well to be selected to attend the Live It! Program for boys. Only 100 Year 9 girls and boys are selected across the State so this is a great achievement and a very well-deserved opportunity for these three students.

It was a fantastic effort by the Willyama High School athletics team in continuing our school’s domination of the West Darling Athletics carnival again this year. Congratulations to all of our representatives, in particular our age champions and record breakers. More details inside.

The Year 11 and 12 annual AFL games were held against Broken Hill High School last week. The girls played well and went down narrowly by 3 goals to the BHHS team and the boys played some great football to defeat the BHHS team by a couple of goals in another close contest. Congratulations to the boys on their victory and to both teams on the way they conducted themselves and played in the right spirit of the game. We are all looking forward to the Year 7/8 and 9/10 matches on 16 September.
The Term 3 PBL rewards day was held at the Year 11 and 12 football games. To be eligible to attend students needed 12 or more merits, a minimum of 95% attendance or 30 Champion tickets. Well done to all students who were rewarded with a day out at the footy with a free sausage and a drink for meeting the criteria.

The Year 6 into 7 Open Night was held last week. This was once again a very successful night and I would like to sincerely thank all of the students and teachers who came along and did a wonderful job of welcoming and introducing our year 7 2015 students and families to our great school.

Congratulations to our newly elected school captains and vice captains for 2015 (details inside). I’m sure you will all do a wonderful job.

This year our school is participating in the Essential Secondary Science Assessment (ESSA) online trials. All Year 10 students will be sitting the ESSA tests over two periods this Friday 12 September.

Year 12 students are nearing the end of their time at school before leaving to study for and sit their HSC examinations. The HSC Leaving Ceremony will be held on Thursday 18 September in the school courtyard starting at 12:10pm. All parents, caregivers and families of Year 12 students are invited to attend.

There will be a P&C meeting on 11 September in the school library starting at 7:00pm. One of items on the agenda will be discussion of, and an opportunity for input into, the new school plan for 2015-2017. All welcome.

Sarah in Belgium: “I really loved the orientation in Brussels, I had such a fun time. My host family were really welcoming of me and have kept me distracted for the first few weeks, which has helped a lot. In fact, I’ve barely felt homesick compared to what I was preparing myself for! The students were all very excited to have an Australian around that they could speak English with! During classes I mostly do French worksheets that they have given to me, or try to translate the worksheet that the rest of the class is focusing on.”

Early Bird Special!
WEP is offering students in years 9 to 12 (excluding year 12 in VIC) a $500 discount off the 2014/15 program fee towards a semester or year program to any of the following countries departing in July - September 2015: Brazil, Belgium, France, Germany, Italy, Mexico, The Netherlands, Poland, Spain, Norway, Thailand or the USA. Cyberbullying - prevention tips for parents
The statistics around cyberbullying are sketchy, mainly because it often goes unreported. What we do know is that the likelihood of children being bullied online or over the phone increases as they get older and use technology more frequently.

Good Fathering Improves Productivity:
Your Weekly Fathering Tip

Focusing on being a good dad has helped me understand the pressures that other dads are under. It has also helped to make me a more balanced person. I am a fairly ‘driven’ person so if I didn’t have family I think I’d become absolutely obsessed with work. I’m already described as being fairly driven so it is likely that I would focus on work to the exclusion of other things. I’d be driven in just one direction. Family is, and should be, the ultimate balance. -John Dickson Being ‘driven’ is a good quality but it can easily become ‘obsessive.’ By focusing your ‘driven’ nature on being a good father you keep everything in perspective. Maintaining balance in your life makes you more productive in all areas. Thoughts?
